Special points of interest:

- Special leave will not be granted the day before or the day after a holiday or vacation period.
- Employees must provide a copy of the subpoena or court summons prior to reporting jury duty or witness leave.
- Employees not on a 12-month contract are not permitted to request extended personal leaves.

Special Leave

Employee leaves that are not due to school business or paid health leave are considered leaves for personal reasons and are reported and tracked through the District Absence Reporting System, AESOP. Advance approval by a supervisor is required for the following types of leave:

1. Jury duty and witness leave
2. Reserve duty leave
3. Appointive and elective office leave
4. Leave without pay
5. Bereavement
6. Vacation leave; and
7. Special leave

Employees may be approved to take special leave with pay for three duty days per school year.

- a. Non-licensed staff may request special leave for accidents, court appearances, graduations, situations over which the employee has no control, and other similar cases. Except in the case of emergencies, advance approval is required. Non-licensed staff shall be granted paid special leave of not more than two duty days per school year if the staff member has accrued paid leave at the time such special leave is to be used. Employees who take special leave without determining if the leave will be approved, do so at the risk of having to take the day as leave without pay and possible discipline.
- b. Licensed staff: Upon request, teachers shall be granted paid special leave of not more than three duty days per school year if the teacher has accrued paid leave at the time such special leave is to be used. Special leave may be used for purposes such as legal, business, household, family or religious matters, but they may not be used for recreational or personal pleasure purposes. Article 33 of the Master Agreement outlines special leave rules, including:

Special leave requires prior approval from the teacher's supervisor.

(Continued on page 2)

Special Leave, cont.

- a. **No special leave shall be granted on the day before or the day after a holiday or vacation period** unless the teacher has actually been at work between the holiday or vacation period and the day requested as a special leave day. A teacher who takes special leave on an ineligible day without requesting and receiving an exception as allowed below will not be paid for that day.
- b. A teacher wishing to attend the high school or college graduation ceremony of an immediate family member, which is scheduled on a day before or after any holiday or vacation period, may use special leave to do so.
- c. For prior approval, teachers must submit a special leave request through the District Absence Reporting System.
- d. The request will be reviewed by the principal and either approved or declined based on the guidelines outlined in this article.
- e. Teachers may not submit special leave requests more than 60 calendar days in advance.
- f. Prior approval requirements may be waived for emergencies and/or matters beyond the teacher's control at the discretion of the chief personnel officer.
- g. Exceptions for requests of special leave prior to or following a holiday or vacation period may be made by the chief personnel officer for special circumstances beyond the teacher's control. The request for an exception must be made in advance of the desired special leave date and with proof for the exception.

Taking special leave without approval will result in leave without pay and possible discipline.

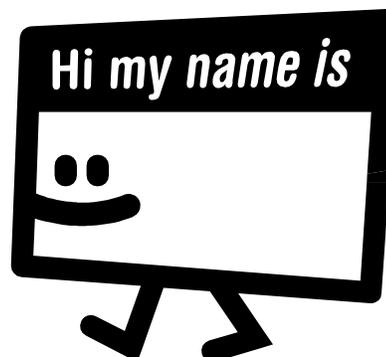

If you would like more information about special leave, please refer to Article 33 of the Master Agreement, APS policy GCC-1-R, or contact Human Resources at ext. 28032.

Business Leave

School business leave requires pre-approval from your supervisor. Business leave is granted on a first come, first serve basis, as there are a limited number of business leave absence slots available district-wide.

Master Agreement Article 20 - Conference Release Time

Employees shall apply to the Director, Professional Learning, for approval of conference attendance as soon as possible after they become aware of meaningful conference opportunities; except that no such request shall be presented until the second week of each school year and requests may be only for the school year in progress. Additional information can be found on the Licensed Professional Development Website at: <http://equityinlearning.aurorak12.org/professional-learning/article-20-information/>

Military Leave

Board Policy - GCCAD & Master Agreement Article 30

Below are the steps for properly completing the leave process should you be called to active duty.

1. Notify your supervisor that you have been called to active duty as soon as possible.
2. Contact the HR Leave Office to schedule an appointment to discuss and complete the leave packet.
3. Once completed, you or your principal/supervisor should return the leave form to the leave office in the Educational Service Center - 4 Building.
4. **Classified Employees:** Before going on leave, report all leave time in the absence reporting system. Specify if a substitute is needed.
5. **Licensed & Administrative and Professional/Technical Staff:** Before going on leave, report leave in the absence reporting system and specify if a substitute is needed.

Your position is held for you for varying lengths of time depending on discharge status, and other circumstances.

For information on benefits coverage while on military leave, contact the HR leave office at ext. 28072.

Jury Duty & Witness Leave

Board Regulation - GCC-1-R, Policy GCCAB & Master Agreement Article 28

In advance of the absence, employees must provide the supervisor/principal with a copy of the summons or subpoena at the time the request for approval is submitted.

Employees who are called for jury duty shall receive full pay during their absence but shall assign their jury duty pay, mileage expense excepted, to the District.

Licensed employees:

1. Employees must provide their jury summons or subpoena for a court appearance as notification of jury duty or witness leave to their principal at least two days in advance of the court date. After providing notification to the principal, the employee shall use the District leave reporting system to report the jury duty or witness leave.
2. Employees who are summoned for jury duty shall receive their full pay during their absence but shall assign their jury duty pay, mileage expense excepted, to the District.
3. Employees who are subpoenaed to appear in court, except where the employee is a plaintiff or where the employee is subpoenaed by the plaintiff in a suit against the District, the Board, a fellow employee, or a District administrator, shall receive full pay during their absence, up to a maximum of two days for any one case, but shall assign any witness fee paid, mileage expense excepted, to the District.
4. Teachers shall report for work before jury duty or court appearance if there are two or more hours of the normal duty day before reasonably having to leave for jury duty or court appearance and shall return to work after being released from jury duty or court appearance if they can reasonably return with two or more hours of the normal duty day remaining after arrival.

Extended Personal Leave

Please be reminded that staff who are not on a 12-month contract and as a result do not accrue vacation, that most requests for extended personal time off will be denied. Board regulation GCC-1-R and Board policy GCCAG both reference potential discipline for unapproved leave and leave without pay, and this article shall serve as a written warning.

The number one priority of all staff members is to support student learning and being present at work is required to do so. Generous time off is provided to staff members during the various school breaks in the fall, winter and spring. As a result, requests for extended absences to pursue personal interests (such as foreign travel, going on a cruise or taking temporary employment, etc.) are not acceptable and may result in discipline. No substitute can replicate what a classroom teacher or trained school employee is able to offer our students.

Extended Medical Leave Including Family Medical Leave (FMLA)

Information on taking a leave of absence due to pregnancy, illness or other appropriate reasons is covered in APS policies beginning with GCC and specifically GDCCF. Teachers should also review the Master Agreement, beginning with Article 22.

Please Note: If the leave is for maternity, you must notify your supervisor (in writing) in your third month of pregnancy and notify the HR leave office at extension 28072 to schedule a meeting prior to your leave.

The steps for taking FMLA leave are:

1. Discuss and obtain prior approval for the leave from your principal/supervisor.
2. Contact the leave office and schedule an appointment to discuss and complete the leave of absence packet. You must submit a signed medical certification form (in the packet) or a signed note from your primary care physician or specialist indicating the start date for leave, the anticipated length of your absence and the expected return to work date.
3. Once completed, return the form and the physician's note to the leave office in the Educational Service Center - 4 Building. The Request for Extended Leave and physician's form may be emailed, faxed, mailed, or hand-carried to the leave office.
4. While on leave, you must report all leave time through the District Absence Reporting System and specify if a substitute is needed.
5. Before returning to work, you must send a medical release form from your doctor to the leave office indicating that you may return to work with or without restrictions.

Please Note:

- Any time taken in excess of 10 days will require leave approval
- Compensation while on medical leave is based on the amount of paid health leave you have available

Please contact the HR leave office at ext. 28072 for further information.

Substitute Hiring Process

It's that time of year when Human Resources begins replenishing the current substitute pool. This article serves as a reminder of the processes in place for hiring new substitutes, as many of you may wish to have ex-employees or new candidates substitute in your building. Please note that we will make every attempt to include requested individuals in our substitute pool as soon as possible; however, we also have an obligation to applicants who have applied prior to the substitute office receiving such requests.

Applicants interested in substituting for the Aurora Public Schools District:

- Must complete an online application by visiting the APS website at aurorak12.org. The application process includes uploading their resume, two current letters of recommendation and license, if applicable.
- Approximately once a month, we evaluate where we need subs, whether it be in elementary or secondary subjects. At that time, we review all pending sub files and choose the best candidates for our current sub needs.
- We invite only those chosen candidates to an orientation to become an APS substitute.
- Please do not allow people to come to your site and begin subbing without being approved and hired as a substitute first. This is a liability risk as we must conduct background checks on all candidates.

APS student teachers, (that have completed their student teaching and have their official transcripts) interested in becoming a substitute:

- Must complete an online application, upload a resume and two letters of recommendation, and submit their official transcripts to the sub office along with the online receipt that shows they have applied for their initial teacher license with the Colorado Department of Education.
- When all required documents have been received in the sub office, the sub office will contact the APS student teacher and schedule an orientation.

Retired APS employees interested in becoming a substitute:

- The APS retiree must call or email the sub office to schedule an orientation. They may begin subbing after the final process date in the Oracle system.

Part-Time APS employees interested in becoming a substitute:

- Part-time employees must call the sub office to schedule an orientation. They can begin subbing the same day, or the next day after the orientation.
- Part-time APS employees must follow the hiring procedure.
- Part-time licensed employees (who have been approved to sub) can sub for another teacher during their contract hours only when a substitute is not available, and will be paid as "teacher class coverage" at \$30 per hour.

(Continued on page 6)

Substitute Hiring Process, cont.

- Part-time classified employees can be emergency subs during their contract hours only when a substitute is not available. They must have the 1-Year Substitute Authorization, and will be paid as “classified class coverage” at \$25 differential rate if total hours are 3.75 or under, and \$50 differential rate if total hours are over 3.75 hours.
- Part-time employees can sub at any APS site when it’s not during their contract hours, and will be paid at the sub rate for either a licensed teacher substitute, or a classified paraeducator substitute.

Former APS employees who resigned or were non-renewed who are interested in becoming a substitute:

- Must contact the sub office if they are interested in substituting.
- May be asked to provide specific documents, (references, letters of recommendation, application, and resume) to the sub office.
- Human Resources will contact the previous APS supervisor for a reference before the candidate is approved to sub.
- Must attend the substitute orientation.
- May begin subbing after the final process date in the Oracle system (please contact the substitute office to find out the specific date).

Long Term Substitutes

The following includes reminders about long-term substitutes especially when long term assignments *require* a highly qualified substitute.

When a site is aware that it will need the services of a long-term substitute, the site secretary or administrator should contact the substitute office to (1) receive recommendations of subs if they do not already have someone in mind (2) confirm the assignment with the substitute office. If any changes are made to a long-term assignment, sites must notify the substitute office of the change.

Per the federal No Child Left Behind Act, Title I schools must have a *highly qualified* substitute in long-term core content assignments that extend beyond 4 consecutive weeks.

In order to be considered *highly qualified* the substitute must:

- Hold a Colorado teaching license in the subject area being taught or a 5-year substitute authorization
- Have at least 24 semester college credits in the subject area being taught (secondary only); or
- Have a passing grade on a state-approved content assessment in the subject area being taught

(Continued on page 7)

Long Term Substitutes, cont.

While Human Resources strongly encourages all sites to find substitutes that are highly qualified for long-term positions, this is not a requirement for non-Title I schools. If a non-Title I school hires a long-term substitute who is not highly qualified, the site must send a letter home to parents stating that the substitute does not meet highly qualified status as defined by No Child Left Behind and the Colorado Department of Education. Sites may obtain this letter template from the substitute office.

Special Education Teachers – In accordance with the Individuals with Disabilities Education Act (IDEA), all long-term special education assignments require a highly qualified substitute regardless of the school's Title I status. The substitute teacher must be licensed and endorsed to teach special education.

Benefits - Qualifying Events

As we settle in for the new school year, we would like to remind you of an important aspect of the Aurora Public Schools Healthcare Plans. Since our healthcare plans allow you pay your monthly premiums on a pre-tax basis, Section 125 of the IRS Code regulates when you may enroll and make changes to your elections – an election represents who is covered under your APS healthcare plan. For continuing employees, you can only change your healthcare elections during the Open Enrollment period in the spring. For newly hired employees, you have 30 days from your date of hire to make your healthcare elections.

The only exceptions are “Qualifying Events”, which allow you to make mid-year changes to your healthcare elections. Section 125 Qualifying events include:

- Change in the Employee's legal marital status
- Change in the number of dependents
- Change in employment status that affects benefit eligibility
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence that affects the Employee's eligibility for coverage
- Commencement or termination of adoption proceedings
- HIPAA Special Enrollment Rights
- Judgments, Decrees or Orders (e.g. divorce, etc.)
- COBRA Events
- Entitlement to Medicare or Medicaid
- Significant changes in cost
- Significant curtailment of coverage
- Significant changes in coverage under the plan of the Employer of a spouse or dependent
- Addition or elimination of a benefit package option
- Separation from service
- FMLA Leave

Benefits-Qualifying Events, cont.

If you believe you have encountered one of these events, you may be eligible to make changes to your healthcare elections. In most cases, you will have 30 days from the event to make the change. If you wish to make a change, contact one of our Benefits Specialists at ext. 28073 or ext. 28038. Supporting documentation of the qualifying event must be provided in a timely manner to ensure eligibility.
