

MEDICAL FLEXIBLE SPENDING ACCOUNT (FSA)

DON'T LOSE BETWEEN \$500 TO \$1,000 PER YEAR ON MEDICAL, DENTAL AND VISION EXPENSES!
OPEN A MEDICAL FSA DURING OPEN ENROLLMENT THIS YEAR

How Do Medical FSAs Work?

The purpose of a Medical FSA is to pay for expenses related to the prevention, treatment, diagnosis, or mitigation of a disease or illness.

Sign up during open enrollment, choosing an annual dollar amount you want taken out of your paycheck **before** taxes and put into your Medical FSA. Use the expense worksheet on the second page to help you choose your election amount so you know you will use all of your funds by the end of the plan year.

Use your Medical FSA money to pay for eligible **medical, dental, or vision expenses** incurred during your organization's plan year. You can also pay for expenses for your spouse and any of your qualified tax dependents, even if they are covered under a different insurance plan. Your entire annual election is available the **first day** of your plan year.

By not paying taxes on these expenses, you avoid losing up to \$1,000 (20% to 40% of your annual Medical FSA election). Use this hard-earned money on something else you value and enjoy!

Visit www.24hourflex.com/tax-savings-calculator/ to estimate your tax savings by using a Medical FSA.

Why You Should Sign Up

To avoid losing hard-earned money each time you pay for medical, dental or vision expenses.

To have access to money at the start of the plan year to pay for medical, dental or vision expenses for you and your family. Your annual election is fully available the first day of the plan year.

How Do You Pay For Expenses?

Use the 24HourFlex Benny card, a stored value VISA card loaded with your annual Medical FSA election amount, to pay providers directly.

Pay expenses yourself and then submit an itemized receipt to 24HourFlex to be reimbursed from your Medical FSA.

Important: You must save itemized receipts for all your expenses that include:

- The date of service
- Service performed or product provided
- Name of the merchant
- The cost of the service

How Do You Manage Your Account?

The easiest way to manage your account is online at www.24hourflex.com/newuser

You can also use the 24HourFlex mobile app available for Android and Apple (iOS).

Make sure you read your Plan's Summary Plan Description (SPD), available from your employer, to understand the deadlines and rules that govern your rights and benefits.
