The e-mail and computer systems of the Aurora Public Schools constitute a system which is to be used by district employees to accomplish the business purposes of the school district. Anyone using this system should be aware that computer files and e-mail messages are not confidential. Both retrieval authorized by district policy and unauthorized retrieval may occur. In addition, e-mail messages may constitute public records under the Colorado Open Records Act. Consequently, employees should utilize some other method of creating, storing and conveying confidential, private or personal information they wish to remain confidential. By using this system, users agree to abide by the e-mail policy and regulation and confirm that they have read and understand the terms of that policy.

- Contains content that indicates the employee's involvement in criminal conduct, or
- Contains inappropriate online conduct that negatively affects the employee's performance, or
- Seriously diminishes the reputation or standing in the community of the employee or district, or
- Divulges confidential district or student-related information, may subject the employee to discipline or termination.

We also caution against posting or sending personal, private or sensitive photos via the web or cell phones. Sensitive information (such as personal photos) that may be contained in a cell phone or laptop may be accessible to a wide audience if the phone or laptop is lost or stolen. Once these pictures are in cyberspace, it is nearly impossible to control access to them.

Parents entrust us with the duty to impart basic societal values and qualities of good citizenship to their children. When using Internet social networks or cell phone functions, please remember that we act as role models for our students and must fulfill our professional duties at all times.

Reporting Child Abuse/Child Protection

Policy JLF

The Colorado Child Protection Act of 1987 states that certain persons, among them any school official or employee, who has reasonable cause to know or suspect that a child has been abused or neglected, are required to make an immediate oral report (or cause a report to be made) to the county department of human services in which the child resides, or to local law enforcement (in instances of non-interfamilial abuse), or through the statewide child abuse reporting hotline system at 1-844-CO4-KIDS or 1-844-264-5437. The oral report must be followed promptly by a written report. It is not the responsibility of school personnel to make a determination if abuse or neglect has occurred. Human services or local law enforcement will make that decision.

If you are uncertain as to whether reasonable cause exists, you should nevertheless make a report to human services or law enforcement and allow those agencies to determine whether an investigation is warranted. Even if suspected abuse involves a case which is very old, and even if the suspected perpetrator is also a minor, a report must be made.

Colorado Law Regarding Nursing Mothers

The Workplace Accommodations for Nursing Mothers Act requires employers who have one or more employees to provide reasonable unpaid break time or permit an employee to use paid break time, meal time, or both, each day to allow the employee to express breast milk for her nursing child for up to two years after the child's birth.

The employer is required to make reasonable efforts to provide a room, other than a bathroom, that is shielded from view and free from intrusion from co-workers and the public, which may be used by an employee to express breast milk.
