RMSEL is a public K-12 school of choice serving students from five Denver-area school districts: Aurora, Cherry Creek, Denver, Douglas County, and Littleton. Expeditionary Learning places emphasis on high academic achievement as well as on character development. We believe that, given the right support and a caring and compassionate learning environment, all students can and want to learn. Our standards-based portfolio assessment system makes explicit the criteria by which success can be measured and documents the accomplishment of high academic and character standards.
